NASHVILLE, Tenn. – Metro Public Works and the Wal-Mart SuperCenter in West Nashville will host an official grand opening celebration this Saturday for the relocated Charlotte Avenue recycle drop off site.

The event will be from 9-11 a.m. in the parking lot of the Wal-Mart at 7044 Charlotte Pike. The first 100 visitors to bring their recyclables to the new drop-off location will receive a reusable Wal-Mart Green Shopping Bag with coupons and other giveaways.

Public Works relocated the drop off last week from its previous site at the Strike & Spare Center at the corner of Charlotte and Annex Avenue. New ownership of that property for the move, and Wal-Mart management contacted Public Works to offer their parking lot as an option.

Wal-Mart and Public Works currently partner to operate a community drop off at the Neighborhood Market on the corner of Edmondson Pike and Old Hickory Blvd in Brentwood.

Metro's Charlotte Avenue recycle drop off at the Wal-Mart SuperCenter is open 24 hours and accepts newspaper, mixed paper, paper board, cardboard, aluminum, tin, glass containers, plastic bottles & containers.
